

# TRANS PEOPLE ARE MAGIC

a digital coloring book  
by Theo Nicole Lorenz

Gender presentation potions are a safe magical alternative to hormone replacement therapy!

Friends help friends with facial hair growth spells.

Genderfluid wizards can use transfiguration to reflect their gender as it changes.

Please note: trolls are not allowed in the restrooms.

Unicorns are especially fond of trans girls.

When a transphobe won't shut their mouth,  
a well-aimed silence spell will solve the problem.

Wizards sports are not restricted by gender.  
All are welcome to play!

The Society for Witches, Wizards, and Wixen  
of Alternative Genders offers free name and pronoun charms.

The magical world belongs to all of us!
